CHECK-IN PROCEDURES

Our base staff will require from the Skipper and/or the Co-Skipper to attend the check-in procedure which contains the port police formalities and documentation procedure, the yacht technical demonstration and the inspection of the inventory list.

Port police formalities and documentation procedure

Starting the check-in you will be required to sign the charter documents for the port authorities (charter contracts, crew list form) and conclude any payments (i.e extra services, security deposit or damage waiver)

Early embarkation

The contractual embarkation time is at 17:00, the boat will be ready and clean. In the event that you wish to embark earlier you should require it at least 5 days before your embarkation. (Service provided with an extra cost)

Late arrival

Our base staff remain at the base up to 21:00 pm. In the event that your flight arrives later or due to a flight delay, the boat will be open and you may find the keys in the chart table. Check-in will take place next morning at aprox 09:00 am. For any problem you may face our base manager will be available at his mobile.

The yacht should return to the base, a day before the end of the charter , latest by 17:00- 18.00. **see page 1
To help us be ready to assist you please advise our Base Manager of your **expected arrival time to base, in advance**. (Tel call or a text message)

Upon your return, before entering Kos marina, you should first refill the fuel tank at the marina fuel station. Our base manager will provide you more details upon the check-in procedures. After the refueling, you can enter the marina, our staff will assist you to moor the boat in the right place.

If during your trip you have noticed any sort of problem of the yacht we would be very grateful if you could notice it to our staff.

During check-out you are kindly asked to allow our staff to come aboard and inspect the yacht and her equipment. This inspection is very important , as we need to assure that the yacht will be in perfect condition, not missing inventory item, for the next clients chartering her after you.

After every charter, the yacht is also inspected underwater by a diver to ensure so as to avoid any inconvenience.

This is your last night on board and we hope that you enjoyed your sailing trip. At 09:00 next morning is your departure time from the boat. This will be a big help and ensure the yacht is ready in time for new arrivals.

Where possible, please leave the yacht as you find it! Kitchen items should be washed, dried and putted away. Left the dirty linen on the floor and the clean linen placed on beds. Please remove and dispose of the rubbish into the bins provided on the port. Life jackets and blanket left on beds.

Thank you for your kind cooperation and we wish you a nice trip back to home.
