Upon your return, our staff will assist you to moor the boat in the right place.

If during your trip you have noticed any sort of problem with the yacht, we would be very grateful if you could notice it to our staff.

During the check-out you are kindly asked to allow our staff to come aboard and inspect the yacht and its equipment. This inspection is very important, as we need to assure that the yacht will be in perfect condition, not missing inventory items, for the next clients chartering it after you.

After every charter, the yacht is also inspected underwater by a diver to ensure to avoid any inconvenience.

This is your last night on board, and we hope that you enjoyed your sailing trip. At 09:00am next morning is your departure time from the boat. This will be a big help and ensure the yacht is ready in time for new arrivals.

Where possible, please leave the yacht as you find it! Kitchen items should be washed, dried and put away. Left the dirty linen on the floor and the clean linen placed on beds. Please remove and dispose of the rubbish into the bins provided on the port. Life jackets and blanket left on beds.

Thank you for your kind cooperation and we wish you a nice trip back home.
